A voter desiring to cast an absentee ballot must apply to his county auditor or city clerk (if he lives in a city or town) within forty-five days prior to any election or primary for an absentee voter's certificate. Application may be made in person or by mail or messenger. If by mail or messenger the registrar must honor a written application in any form if it states that the applicant will be absent on the day of voting or is so physically incapacitated (setting forth in what manner) that he cannot attend the polls and if the applicant's signature is affixed thereto.

Enacted

amendment.

SEC. 3. (RCW 29.36.020) The certificate to be issued by a county or city registrar to an applicant desiring to vote an absentee ballot shall state that:

CH. 168.]

SESSION LAWS, 1955.

Approved by the Governor March 15, 1955, with the exception of section 8, which is vetoed.

Note: Excerpt of Governor's veto message reads as follows:

" * * * Section 8 is a reenactment of RCW 29.36.070 which relates to the canvassing of absentee ballots and the modification of election returns upon a precinct basis. This section was reenacted as part of this bill for technical reasons adopted by the codifier. This section, however, was amended by this legislature in section 3 of House Bill No. 341, heretofore signed into law and now known as chapter 50, Laws of 1955. That act amended RCW 29.56.070 by providing for the canvassing of absentee ballots and the modification of election returns on the basis of legislative districts rather than precincts.

"For the reasons stated, section 8 is vetoed and the remainder of the bill is approved."
